

EMPOWERING LOCAL BUSINESSES TO GROW

Business relationships that go beyond banking

Heritage has been in business for 96 years. We are deeply rooted in the Pacific Northwest and believe that keeping our local economies strong and vibrant starts with supporting businesses like yours.

More importantly, our team of bankers live and work here—just like you. We know the community and understand what business here looks like. We realize the unique challenges that you face and have the knowledge and resources to help you succeed.
